NEWSLETTER OF THOMAS EDISON STATE COLLEGE

SPRING/SUMMER 1996

Thanks to you, the dream lives on at Thomas Edison State College

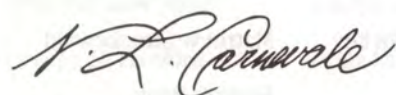

Dear Friend of Thomas Edison State College:

On behalf of the Thomas Edison State College Foundation, I wish to introduce the Honor Roll of 1995 Annual Fund contributors and participants in the College's special events during the past year. All of us on the Foundation's Board of Directors want to thank each of you on this Honor Roll for your vital investment in Thomas Edison State College.

Your financial support continues to help the College advance its academic programs, enhance its technological platform and to promote the College's programs and services. We are proud of the College's many accomplishments and the role each of us plays in that success.

It gives me great pleasure to publicly recognize our many contributors — students, graduates, faculty, staff, members of the board of trustees and Foundation directors, corporate supporters and friends of the College. I applaud each of you for your continued display of support through outright gifts and planned giving, which will ensure Thomas Edison's commitment to providing quality education to adults no matter where they live or work.

With sincere thanks,

Nicholas L. Carnevale, Chairperson
Thomas Edison State College Foundation
